Smokey The Coupon Coder: What's New in Rad
Studio XE2? Rad Studio XE2 is all about getting to
know your new development environment, and
trying out all of the new features it offers. From
smart tags to visual IntelliSense, it is hard to believe
that this all began as a passion project between two
17 year old girls. In this video I show you all of the
new features of Rad Studio XE2, talk about getting
to know the IDE, and how to make the most of all
of the new features. I also show how to import our
XML data files into the app. Get my latest tutorials,
