featured the world's best whiskey, the company's third boutique release of the year has been sitting quietly for a while.

While the brand's flagship bourbon, Blanton's, was released in March, this fall the company has released the

---

limited-edition Honey Cream Sidecar. In the coming weeks, Single Barrel will be formally announcing an expansion of this expression to additional markets. Sourced from a single barrel of the mashbill made using honey and

---

cream rather than  
molasses as part of the  
grain bill, the new Honey  
Cream Sidecar features  
notes of honey, vanilla,  
and cream. The whiskey  
is also finished in port  
casks for aging before  
bott
